Deputy Chief Strategic Intelligence Issues (S17)

(C) The SINIO Council and the National Cryptologic School are pleased to present one in a series of Strategic Intelligence Issue Seminars for Summer 2004. "NATO Summit" will be presented by the SINIO for Europe, [REDACTED], on **Tuesday, 15 June, from 1130-1300 in Room 2N007**. Advanced registration is required - instructions follow.

(U) Course Overview:

(TS//SI) This seminar will explain what makes this NATO Summit such a greater threat environment than previous Summits, identify the key policy issues the US wants to address at the summit and the hoped-for outcomes, describe what type of SIGINT support will be provided, how that will be done, and what efforts have been made to improve SIGINT coverage. The role of the EU IMT, SINIOs for Europe and CT, FAD, TOPIs, NCR/Turk, CSRS, and reporting policy will be described. Interaction with the NICB, CIA and the COS will also be described.

(U) Registration Information:

(U//FOUO) Advance registration is required; eligible SID students interested in attending this brown-bag session should enroll for **class number 6982** using Peoplesoft. Enrollment will be first come, first served.

(U//FOUO) To register for this offering, you may:

- use the Student Administration self-enrollment feature, instructions provided at: [FAQs](#)
- or you may use the phone-in/e-mail registration option by calling [REDACTED] Monday through Friday, 0700-1500 hours or by sending an e-mail to DL MPGTEAM.
