(U//FOUO) Have you been searching high and low for new venues for professional development? Would you welcome new analytic challenges to meet, new worlds to conquer, and the chance to guide and influence the next generation of target experts? Then you definitely want to be in the **Friedman Auditorium** from **1230 to 1430 on Tuesday, 9 November** for **"The New Cryptologic Frontier Needs You,"** a showcase of the opportunities that await the intrepid Intelligence Analyst, Language Analyst, Signals Analyst, and Global Network Analyst at NSA's Field Headquarters in Georgia, Texas, Colorado, and Hawaii.

(U//FOUO) Mr. William B. Black, Jr., Deputy Director NSA, will welcome you at 1230 and will provide the strategic imperative for the Agency's 2005 Mission Alignment initiative. You will also hear short presentations on:

- (U//FOUO) The Mission Alignment and RSOC Build-Out Program Management Office from CAPT [REDACTED], MARSOC PMO* Chief;
- (U//FOUO) The intelligence missions being moved to the RSOCs, from the Deputy Directorate for Analysis & Production's Chief of Operations [REDACTED];
- (U//FOUO) Living and working SIGINT in Augusta, San Antonio, Denver, and Honolulu, from senior representatives of each site;
- (U//FOUO) PCS information tidbits from Global Human Resources, [REDACTED];
- (U//FOUO) Diversity education and accommodation issues from [REDACTED] and Pattie Dahlen of the Office of Diversity and Disability Affairs;
- (U//FOUO) Training plans and programs at the four sites from (separately) Deputy Dean, Center for Language Dr. Laura Murray and Dean, Center for Cryptology [REDACTED] and [REDACTED];
- (U//FOUO) Staffing processes for the four sites from A/Chief, Deployment Services [REDACTED] and Human Resources Representative to the MARSOC PMO [REDACTED].

(U) At the conclusion of this portion of the event, each organization -- including the Intelligence Analysis, Language Analysis, and Computer Science Skill Communities -- will have representatives present to take questions from the audience. And at 1415 we will show a short video produced by GRSOC on the challenging missions they fulfill and the SIGINT successes they have achieved for the nation.

(U) If you're looking for that next big step along your professional development path, *you cannot afford to miss this event!* **Register today** at:

[REDACTED]

(U) There will be information stations set up outside the Friedman starting shortly after noon and for the duration of the program, where representatives from each site and from the Associate Directorate for Human Resources will be available to answer questions from A to Z -- hiring, PCS, and quality of life.

(U) *"The New Cryptologic Frontier Needs You"* will be **broadcast live** via NEWSMAGAZINE on Channel 16 at the Ft. Meade Complex and on Channel 21 at FANX.

(U//FOUO) If a sign language interpreter is required, please notify Disability Affairs on 963-7052s.

(U) You may also request a video copy of the Town Meeting by sending an email to [REDACTED]@nsa (DL TAPEDUPE from an NT) with the following information:

Your name
Your building
Your room number
Your suite number.

(U) Be sure to specify the name and date of the program: *"The New Cryptologic Frontier Needs You,"* 9 November 2004.
