

(U//FOUO) CT Mission Management Center Countdown

FROM: [REDACTED]
Chief of Staff, CT Mission Management Center (STC)
Run Date: 10/24/2005

(C) The official stand-up of the Counterterrorism Mission Management Center (CT MMC) is quickly approaching! Work on the physical space where the Center will be housed - 3E132, directly adjacent to [NSOC](#) - is proceeding apace, with completion expected sometime around Thanksgiving. In addition, CT MMC Operations Center officers are nearing the end of their training. **They will be launching initial CT MMC 24/7 operations on 5 November** at 0600 Local in temporary spaces within NSOC. As of the 5th, the CT Product Line's Counterterrorism Watch Officer and NSOC's Terrorism Desk functions will stand down. The services currently provided by the individuals in these positions, however, will be immediately transitioned to the CT MMC.

(C) Finally, the organizational structure underpinning the Associate Deputy Directorate for the Global War on Terrorism (GWOT) was officially approved on 18 September and the following organizational designators are now effective:

- ST - Associate Deputy Director for the GWOT (Mr. Lonny Anderson)
- STC - CT Mission Management Center (Mr. Ron Carback, Director, Ms. Julia Pallozzi-Ruhm, Deputy Director, and [REDACTED] Chief of Staff)
- STC1 - CT MMC Operations Support Division [REDACTED] Chief)
- STC2 - CT MMC Strategic Plans and Policy Division
- STC3 - CT MMC Resources Division

(U//FOUO) If you would like more information on the CT MMC - where it's been, where it is and where it's going - as well as would like to discuss civilian and military job opportunities within the Center, please join Ron and Julia for a **brown bag luncheon on Thursday, 3 November, from 1230 to 1400 in 2C046-2** (OPS1 building). Since attendance will have to be limited, strictly because of the size of the room, please email [REDACTED] if you are interested in attending. If this date is not convenient for you, please see the [CT MMC website](#) for more details on the Center. And stay tuned for further updates as the countdown to stand-up nears completion!

(U) For background info, see the article [\(U//FOUO\) New Mission Management Center for CT to Stand Up](#).
