(U//FOUO) As noted in a recent Agency-all email, all users of NSANet are required to take the new version of OIAC1170, "Introduction to Operational Information Assurance," regardless of the date of their last OIAC 1170 completion. A "user" is any NSA/CSS affiliate, military, civilian, contractor employee, or integree who has an authorized account on the NSANet.

(U) The National Cryptologic School has put in place a schedule for completing OIAC1170, by assigned organization. For SID, the dates are as follows:

- **13 June - 10 July** - S, S0, S1, SA, SD, SE, SL, SP, SS
- **11 July - 7 August** - S2 and S3

(U) The revised OIAC1170 course is available through VuPort at the following URL:

 or "go VuPort".

(U) NOTE: Contractor employees are authorized to complete this mandatory training via the "Contractor Training through VuPort" link on the VuPort web site.

(U) For full details, see the [EXECmessage-71](#).

"(U//FOUO) SIDtoday articles may not be republished or reposted outside NSANet without the consent of S0121 ([DL sid comms](#))."
