Technology, Assessment, Forecasting and Transfer (TAFT - RT)
Run Date: 08/19/2004

(U//FOUO) Did you miss the RAD Solutions Expo '04 last February? Want a second chance to talk directly with NSA researchers and have a say in the future direction of RAD tools and products? Then "RAD on the Road" is for you. The Research Associate Directorate will be highlighting 4 different technologies **every Thursday in August from 1000-1400 at the OPS2B Technology Demonstration Center (2B8156)**.
