(U//FOUO) Can you envision a global scenario for the year 2020? If so, you can enter the International Affairs Institute's (IAI) annual essay contest! Winners will receive monetary prizes, and the essay entries may be used in National Intelligence Council (NIC) discussions and publications, as well as in internal NSA activities. The winning scenario will be plausible, creative, policy-relevant, and highlight at least three of seven key drivers identified in the Global Trends 2015 paper. It should also show how we got to the 2020 world from where we are today. Entries are due by COB **28 June**.

(U//FOUO) For further details and contest rules, see the [2004 Essay Contest webpage](#). See also the article [NIC 2020 and NSA Engagement](#) for further background.
