Run Date: 08/08/2005

(U//FOUO) Effective 18 July, I designated [REDACTED] as the **SID Mission Interface for ADS&CI**. In this capacity, [REDACTED] will be the primary staff interface to the Associate Directorate for Security and Counterintelligence (ADS&CI) on all SID security issues.

(U//FOUO) [REDACTED] is charged with providing staff support to the SIGINT Director, SIGINT Deputy Director, and SID Chief of Staff as they interact with ADS&CI. She is also charged with working with SID organizations in establishing and maintaining common SID processes and procedures for security matters.

(U//FOUO) [REDACTED] began her NSA career in the ADS&CI and has a strong security background. She spent 15 years in the ADS working in a variety of assignments (Investigations, Adjudications, Security Awareness and the Special Access Office) and is professionalized as a Security Officer. Additional assignments included details to SID on security-related projects for the Counterintelligence Support Staff and the Special Activities Office. For the past 3 years, [REDACTED] has been the Security Manager for the Reserve Mission Management Office (RMM) where she has worked closely with ADS&CI, [ITD](#), and [IAD](#) on the security related aspects of this program. [REDACTED] is also a Security Advisor for S01R3.

(U//FOUO) I look forward to [REDACTED] contributions to our relationship with the ADS&CI and his network of forward deployed assets. I thank you in advance for your cooperation with [REDACTED]
