FROM: [REDACTED]  
Deputy Chief, Strategic Intelligence Issues  
Run Date: 08/02/2003

(C) The SINIO Council and the National Cryptologic School are pleased to present the seventh in a series of Strategic Intelligence Issue Seminars for Summer 2003. "An Overview of NSPD-17, Combatting Proliferation" will be presented by the SINIO for Science, Technology and Proliferation, [REDACTED], on **7 August from 1100-1300 in OPS1 room 2C086**. Advance registration is required; instructions are provided at the end of this article.

**Course Overview:**

(S) This seminar will give an overview of the National Security Presidential Directive 17, Combating Proliferation, which was enacted in the fall of 2002. In addition to reviewing the components and charges in the NSPD, the briefing will address implications to national security and outline Intelligence Community responsibilities and responses.

(U//FOUO) Please consult the [SINIO Website](#) ("go sinio") for information on future events in this series.
