FROM: SIGINT Communications

Run Date: 11/14/2005

(U) During your NSA career, have you ever found yourself in odd circumstances for Thanksgiving? Perhaps you were tdy to some exotic land where the populace wouldn't know a cranberry from a pumpkin?... Maybe a local family invited you to dinner?... Or were you stationed at a military base when the Secretary of Defense flew in unexpectedly to share a turkey dinner with the troops?... Working shift on Thanksgiving when something unusual happened?

(U) If you have any good "NSA Thanksgiving" stories, please send them our way -- just a couple of paragraphs explaining what happened. If we get enough anecdotes, we'll post them on *SID today*. (Read what people sent in for [Labor Day](#).) Send your story to [REDACTED] and [REDACTED]. We're hoping to hear from you!

"(U//FOUO) SIDtoday articles may not be republished or reposted outside NSANet without the consent of S0121 ([DL sid comms](#))."
