(U//FOUO) We received the following feedback on the article [What Does the Future Hold? SINIO Forecast for 2006-2010](#) :

(U//FOUO) This article was printed, along with the powerpoint briefing and provided to the following USSTRATCOM senior leadership:

- USN CAPT Pete O'Brien (Commander of STRATCOM's Joint Intelligence Center),
- Mr. Len Brown (Deputy JIC Commander)
- Mr. [REDACTED] (Senior Intel Analyst), and
- USN CAPT [REDACTED] (Chief of STRATCOM's Global Assessments Center).

(U//FOUO) Their feedback to the NSA Office here is the report is "right on" and was "excellent". They are making good use of the information and noted the 06-10 forecast only supports their 2004 assessment they currently have on hand. Just wanted to pass along their kudos to [REDACTED] and any others involved in the report.

Regards from the Heartland (Offutt AFB)
