Run Date: 07/14/2003

(U//FOUO) If you hadn't heard the buzz before the first article, you likely have heard it now! PKI is here!

(U//FOUO) There have been a few questions and comments about the recent article regarding PKI, so this follow-up hopes to clarify some of the uncertainties.

- 1) Employees who are in the field do need to get their PKI certificates. [REDACTED] is the Field Advocate for ITIS. Please direct all questions to the PKI Help Desk at [REDACTED]
- 2) Some of you have asked where the kiosks are located. If you type "go pki" and proceed to Step 4, you will find a list of the kiosks, including their location, phone number, and hours of operation.
- 3) The link to the first article is [HERE](#)
- 4) The link to the PKI Home Page is [HERE](#)

(U//FOUO) All specific technical questions and problems should be directed to the PKI Help Desk.
