

(U//FOUO) Iraq Survey Group Vacancy

FROM: SIGINT Communications (S02C)
Unknown
Run Date: 03/25/2004

FROM: SIGINT Communications (S02C)
Unknown

(S) SID is looking for a senior person at the GG-14/15 level for a 90-day TDY assignment as the Team Leader to the Iraq Survey Group in Baghdad. The individual selected for this position would need to report no later than 19 April 2004.

(S//SI) The individual must be politically savvy and be able to leverage support from NSAW on critical issues. The employee must also possess knowledge of Iraqi weapons of mass destruction (WMD). You are expected to at least be familiar with the target, or at a minimum be able to step in and recognize the significance of certain players as well as capabilities. In addition, the individual should have knowledge of compartmented and non-attributable operation solutions that could be applied to WMD missions, debriefings and other elements of the WMD.

(U//FOUO) If you are interested in this position, please send a resume, via e-mail, to Charles Berlin (██████████@nsa) no later than close of business on Monday, 29 March.
