(U//FOUO) As a follow-up to our recent ["Are You a Grizzled Veteran"](#) and ["Grizzled Veteran Part II"](#) articles, here is another in our Friday "human interest story" series. Today's topic is: You are definitely a newbie if you cannot remember:

- when the elevation of the parking lot snowpile reached mountain status.
- the cat daws were first installed.
- you could get a card punched for coffee purchases that would get you a free coffee every 6th cup.
- "testing" the red/green/blue evacuation routes.
- training en masse to use your QuickMask 2000.
- there was no **SID today**.
