

**(U) Learn How Our Adversaries 'Hide the Real, Show the False':  
Upcoming NCS Course**

FROM: [REDACTED]  
SID Intelligence Security Issues (S02L3)  
Run Date: 09/26/2005

(U//FOUO) Now is your opportunity to learn about denial ("Hide the Real") and deception ("Show the False") practices employed by our adversary to thwart collection capabilities. Learn about methodologies and techniques to counter adversarial denial and deception. The National Cryptologic School (NCS) is offering the Adversarial Denial & Deception Analysis Course, DENL2111, from 3-7 October 2005. (Registration details follow.)

(U) The NCS is presenting

- DENL2111: Adversarial Denial & Deception (D&D) Analysis
- Dates: 3-7 October 2005
- Time: 0800-1600
- Location: FANX II, A2A009 (Course Center D)

**(U) The course:**

- provides students with an overview of D&D activities carried out against the United States,
- familiarizes students with the D&D threat to U.S. intelligence systems/assets, and
- demonstrates various methodologies for identifying adversarial D&D activity.

(U) Experts from NSA, DIA, CIA, and NRO will present:

- various aspects essential to understanding adversarial deception operations (technological, historical, psychological, cultural, and operational),
- significant issues facing service and national decision-makers and
- an interactive practical exercise allowing students to apply the methods presented in class to identify foreign D&D activity.
