(U//FOUO) The Intelligence Analysis Skill Community is requesting nominations for the 2003 Gold Nugget Award. This honorary award is granted to individuals or teams for outstanding technical achievement in traffic analysis. All NSA/CSS civilian and military assignees engaged in traffic analysis pursuits are eligible.

(U//FOUO) Nominations are made by managers equivalent to office-level or higher. This year nominations are due to the IA Skill Community office by COB 16 April 2004. Please access the Gold Nugget Award website for more information and instructions for submitting a nominee(s).
