(U//FOUO) SIGINT Development Strategy and Governance (SSG) is pleased to announce another brown bag discussion focused on SIGINT Development topics of interest. We believe these sessions will be of interest to those who are working in SIGINT Development, or who are interested in learning more about NSA's SIGINT Development activities. A brief abstract of the planned presentation is below:

(S//SI) This Brown Bag discussion will highlight current initiatives undertaken by the SIGINT Metadata Strategy Team such as unselected DNI events, 2nd Party metadata sharing, Persona Session Metadata (PSM), etc. The Chief of Strategy and Chief of Governance lead the effort and report to the Deputy Directors on all matters related to metadata. The strategy is comprised of several groups, namely the Global Metadata Service, Core Team, DNI Events Team, as well as the Analyst and Technical Advisors Teams.

(U//FOUO) **To register for one of these sessions,** military and civilian employees can call ████████████, or send an e-mail to the ████████████ alias. Please include the CRSK 1500 class number, your Social Security Number and session preference.

If you are a contractor, please contact ████████████ or ████████████ at ████████████. In order to attend these sessions, you must have approval from your COR.

NOTE: You will receive NCS course credit for attending these brown bag sessions. Please be sure to "sign-in" on the day of the event, so we can note your attendance and ensure you receive credit. If you sign-up for one of these sessions and do not attend, you will not be permitted to enroll in future sessions, per NCS regulations.

(U//FOUO) This brown bag session is classified TOP SECRET//COMINT. This session will be videotaped for future posting on the SIGDEV learning portal.
